

2013 Aledo Indoor Pole Vault Invitational II

Aledo pole vault coach John Rhodes the folks at Aledo High School put on a really great day of vaulting on two wooden runways set up in the middle of Aledo's cavernous indoor workout facility.

It was the girls who put on probably the best vaulting competition in Texas high school history. The top three vaulters in the nation showed up. Annie Rhodes, Lakan Taylor, and Desiree Freier all had cleared 13-6 this season. Once they all made 13, they asked that the bar be moved to a new nation-leading 13-7. To the cheers of a surprisingly large crowd, Rhodes and Taylor cleared on their first attempt. The bar then went to 13-10 which Rhodes cleared on her second before Taylor cleared on her last attempt. Both made very good tries at a state record 14-1 with Rhodes coming very close on her last two attempts.

Daven Murphree of Harmony probably left a bit disappointed. He didn't even take his first attempt until 16' which he cleared easily, but was unable to get over 16-6.
