

Brewer Bear Junior High XC Meets ~ 2008
Central Park – White Settlement

The Brewer Cross Country team will host three cross country meets this season. Each of the three meets will consist of a different format/course. The meets have been structured to compliment the conditioning levels of athletes as they work through the season. We have designed the courses this way to make it fun for the kids and to allow them to progress in their racing distances.

Here is what we will offer at each of our three meets this season.....

MEET #1

September 10th (Wednesday) - 4 Mile Relay

(This relay will be made up of teams of 4, each running 1 mile). The race is run like a relay in track where the first leg runs and then hands off to the second leg, and so on until all 4 runners have completed the 1 mile course. For this first meet, you may combine 7th and 8th graders to make up your teams. We will run the girls race first and then the boys will follow.

You may enter an unlimited number of teams. If you have extra runners and cannot make up a full set of 4, you may enter the athlete(s) as another team and they will start the race with everyone else. The teams without a full set of 4 will not be placed for awards. *This race is similar to the relay meets the high school teams run at the beginning of the season.

MEET #2

September 17th (Wednesday) - 1.5 Mile course.

This course will loop through the park. Most of the race will consist of grass running with a small portion being on pavement.

MEET #3

October 8th (Wednesday) - 2 Mile course.

This course will be similar to the 1.5 mile course, adding on another half mile to the race at different locations.

Location: Central Park (White Settlement). This park is located off of loop 820 and White Settlement Rd. Take the White Settlement Rd exit and go east (to the inside of the loop). At Las Vegas Trail you will go RIGHT. The park is located on the right hand side approx. ½ mile.

Check-in Time: 3:00-3:30pm
Race Time: 4:00pm – 7th Grade Girls race. The next race will start at the conclusion of the race before it.
Race Schedule: 7th Grade Girls
8th Grade girls
