

THE 7TH ANNUAL GRACE PREP INVITATIONAL OCTOBER 4TH, 2008

Grace Prep is hosting our 7th annual invitational cross country meet. Just like our track meet in March, this meet promises to be a great opportunity for the private & public schools to compete against each other on a challenging course. The meet will be held on the newly renovated Gerald Richey course at Vandergriff Park in Arlington. The meet will be a good preview of the regional course for all of those UIL schools in Region II. I also hope that it will help the TAPPS schools get a good look at the teams that will be running in the TAPPS state meet 2 weeks later on October 18th. Hope to see all of you there!
