Dear Cross Country Coach:

Ozona High School will host its annual "Running with the Lions" cross country meet on September 27, 2008. We want to take this time to invite your squad to attend. It will be held at the Ozona Country Club located on the Northeast corner of town. The course will be challenging, and with all the outstanding runners in West Texas, it should be very competitive. We will have both a Junior High and High School division.

Thank You,

John Jackson
