Dear Coach,

Lewisville Track and Cross Country Booster Club will host the 12th annual Rick Neill Memorial Cross Country meet on Saturday, October 18, 2008. In 2000 the name of the meet was changed to honor Coach Rick Neill who passed away in the spring of 2000 after a tremendous battle with cancer and liver disease. A scholarship fund has been created in Rick's memory and each year deserving athletes are awarded scholarships funded by this race.

We have developed a competitive course on the shores of Lake Lewisville. The City of Lewisville is one of our sponsors and they graciously close Lake Park, adjacent to the lake, to provide access to the picnic and beach areas. The Rick Neill Invitational has become a premier running event and whether it's competition or a personal best your athletes are looking for they will find it at our event.

Please consider our meet as you plan your 2008 Cross Country schedule. Registration will be handled on-line at www.athletic.net , look for the Rick Neill Memorial and enter your teams via this web site. Please notify us as soon as possible if you are planning to attend (see deadlines attached). **We cannot guarantee late entries.**

Thanks,

Ray White
